DOCUMENT PURPOSE

This document forms part of the Atamis Client Support Packs being provided to support clients in their preparations for the upcoming TPP Autumn release on 10th September.

The purpose of this document is to provide further detailed information of the specifications used to deliver the first build of the UK4 Tender Notice.

Due to ongoing development and change requests from Cabinet Office, all first build notices are subject to change. Final build specifications, videos and documentation will be updated to accompany the Client Release on 10th September.
